Company Profile

Siddhraj Chemicals is a trusted name in the field of chemical export, dedicated to delivering premium-quality chemical solutions to industries across the globe. With years of expertise and a commitment to excellence, we serve a diverse range of sectors. Our state-of-the-art facilities, rigorous quality control systems, and a highly skilled team enable us to meet international standards and customer specifications with precision. Sustainability, safety, and innovation form the core of our operations, ensuring environmentally responsible practices and long-term value creation.

Driven by integrity and reliability, Siddhraj Chemicals aims to build lasting relationships with clients worldwide by offering consistent quality, timely delivery, and exceptional customer service. We believe in growing together - with our clients, partners, and the communities we serve. Explore a partnership with Siddhraj Chemicals and experience chemical excellence, delivered with care.

Vision

- 01.** To be a global leader in sustainable chemical exports, delivering innovative, safe, and eco-friendly solutions that empower industries worldwide.
- 02.** To become the most trusted partner in chemical exports by consistently exceeding customer expectations through cutting-edge technology and ethical practices.
- 03.** To create value through exporting high-quality chemicals while driving environmental stewardship and enhancing community well-being worldwide.

Mission

- 01. Deliver Quality and Consistency:**
To provide high-quality chemical products that meet international standards, ensuring consistency, safety, and customer satisfaction
- 02. Innovation-Driven Growth:**
To continuously innovate in product development, logistics, and customer service to meet evolving global demand.
- 03. Sustainability and Safety:**
To promote safe chemical handling and eco-friendly practices that minimize environmental impact and support a sustainable future.
- 04. Building Trust through Reliability:**
To become a trusted export partner by ensuring punctual delivery, honest communication, and strong technical support.

Our Products

BASIC CHEMICALS

- Soda Ash
- Caustic Soda
- Liquid Ammonia
- Sodium Silicate
- Sodium Meta Silicate
- Sodium Alumina Silicate
- Hydrogen Peroxide
- Cocamidopropyl Betaine
- Coco-Diethanolamide
- Sodium Lauryl Ether Sulphate
- Sodium Lauryl Sulphate
- Sodium Monochloro Acetate
- Monochloro Acetic Acid
- Tri Chloro Acetic Acid
- LABSA
- Triethanolamine
- Sulfamic Acid
- Guanidine Carbonate

STRONG ACIDS

- Hydrochloric Acid 33% Or 35%
- Sulphuric Acid 98%
- Nitric Acid 61%, 68%, 72%
- Glacial Acetic Acid 99.9%
- Phosphoric Acid 85%
- Formic Acid 85%

WATER TREATMENT

- Ferric Chloride
- Aluminium Sulphate
- Ferric Chloride Anhydrous
- Ferric Chloride Hexahydrate
- Calcium Hypochlorite
- Sodium Hypochlorite
- Sodium Chlorite
- Liquid Chlorine
- Poly Aluminium Chloride

INORGANIC CHEMICAL

- Sodium Hydroxide
- Potassium Hydroxide
- Trisodium Phosphate
- Magnesium Nitrate
- Potassium Nitrate
- Sodium Nitrite
- Sodium Tripolyphosphate
- Sodium Bisulfite
- Ammonium Bicarbonate
- Calcium Chloride
- Potassium Chloride
- Sodium Chloride
- Magnesium Chloride
- Ammonium Chloride
- Zinc Chloride
- Ammonium Sulphate
- Zinc Sulphate
- Magnesium Sulphate
- Sodium Aluminium Sulphate
- Potassium Sulphate
- Sodium Sulphate Anhydrous
- Barium Carbonate
- Sodium Metabisulfite
- Ferrous Sulphate
- Copper Sulphate
- Zinc Oxide
- Calcium Oxide
- Nickel Oxide

Why Choose Us?

01. High-Quality Products

We deliver only premium-grade chemicals, thoroughly tested and certified to meet global quality and safety standards (ISO, FIEO etc.).

03. Ethical & Sustainable Practices

We are committed to environmentally friendly processes and ethical sourcing, ensuring a responsible supply chain.

02. Global Export Expertise

Our experienced logistics team ensures smooth documentation, compliance, and shipping to any corner of the world - reliably and on time.

04. Regulatory Compliance

We stay ahead of regulatory changes in key markets to keep your business compliant and risk-free.
